

CBI Harbor Trip Skippers' Refresher Class

2008 Season

Saturday, May 17, from 10am-noon

Wednesday, May 21, from 6pm-8pm

Discussion topics may include:

- Overview; brief walk-through of harbor trip
Handouts: current crew and skipper class notes
- Handling difficult conditions
- Navigation
- Boston Harbor "landmarks"... What's new?
- Individual requests?

Practice on Rhodes 19's may include:

- Reefing on the run!
- Raising and lowering the mast
- Bridle/Towing procedures
- ANCHORING using anchor bags (how to tie on anchor, sail into anchorage, test that boat is anchored, sail out of anchorage, etc.)
- Individual requests?

These classes are offered only to CBI members who hold a Harbor Trip Skippers rating or who completed the Skippers' class last season and will complete the evaluation trip this season. Advance registration is requested by e-mail to harbortrips@community-boating.org or by telephone to Meryl at 781-294-1639. Please include your name, telephone number and any specific topics that you would like to see covered during the class. Please remember to indicate which class date you prefer.
